

Maantieteen päivät 2017: WELCOME TO FINLAND?

- The Annual Meeting of Finnish Geographers 26.10.-27.10.2017 -

OHJELMA

Torstai 26.10.2017

8:00 – 9:45	Ilmoittautuminen	Publicum aula			
8:00 – 9:45	Kahvitarjoilu	Publicum aula			
9:45 – 10:00	Päivien avaus:	Educarium Edu1			
	Vararehtori Riitta Pyykkö, Turun yliopisto Puheenjohtaja, Venla Bernelius, Suomen Maantieteellinen Seura				
10:00 – 13:00	Keynote-luennot:	Educarium Edu1			
	Prof. Bruce Forbes, Lapin yliopisto Prof. Nick Gill, Exeterin yliopisto				
12:00 – 13:00	Lounas	Macciavelli			
13:00 – 14:00	Keynote-luento: VTT Leena Malkki, Helsingin yliopisto	Educarium Edu1			
14:15 – 15:45	Työryhmät 1:				
<i>Hydrogeography I:</i> Petteri Alho and Elina Kasvi	<i>Relating Finland: critical approaches to relational and territorial geopolitics I:</i> Roger Norum et al.	<i>Paikkaperustainen yhteiskunta ja aluekehittäminen I:</i> Ilkka Luoto et al.	<i>Maantieteen aineenopettaja- koulutuksen tulevaisuus:</i> Minna Tanskanen	<i>Mobilities:</i> Jussi Jauhiainen	<i>Legal and carceral geographies:</i> Päivi Rannila and Virve Repo
Huone: Pub209	Huone: Pub 4	Huone: Pub 5	Huone: Pub469	Huone: Pub361	Huone: Pub499
A bibliometric review of Finnish hydrogeography Hanna Luhtala	Geopolitics of disregard Hidéfumi Nishiyama	Place-based regional development strategies and entrepreneurial discovery processes Seija Virkkala	PaikkaOppi - open web-based learning environment of GIS for schools Virpi Hirvensalo	Policy Tools for Climate Governance on Local Government Level: Patterns of usage in Finland Marko Joas	Streamlining Waste Utilization Regulation in Earth Construction - Bypass to valorization or block to Circular Economy? Erkki-Jussi Nylén
Use and challenges of measurement approaches in hydrogeographic research on	The European Union's Approach towards Finnish-Russian External Cross-Border Cooperation	Kylä kaupunkitilassa ja kaupunkitilana Sami Tantarimäki	Geomedia koulumaantieteen imagon uudistajana? Markus Hilander	Transnational Migration between Finland and Estonia in Mobile Network Roaming Datasets	Laws of the forest in central Indian Adivasi villages Tikli Loivaranta

sedimentation ponds Santtu Kaipainen	Katharina Koch			Margus Tiru and Rein Ahas	
Multitemporal remote sensing data analysis to detect changes in the dynamics of Andean wetlands Carlos A. Gonzales Inca	Geopolitics of Human Rights: Universal dreams inflicting territorial nightmares? Joni Vainikka	Yritysten imagot alueen imagossa Niklas Lundström	Places of young immigrants' integration: neighbourhood, school and geography classroom Petteri Muukkonen	Urban politics and mobility matters entangled to fare-free public transport in Tallinn Tarmo Pikner	Spatial control and care in Finnish nursing homes Virve Repo
The effects of dredging on river channel geometry and flow structure Linnea Blåfield	Beyond neoliberalism: Understanding authoritarian populism through a geosocial framework Christopher Lizotte	Planning With People – On the participatory method Deliberative Walks Peter Ehrström	Possibilities for co-operation on the field of geography teacher training? Minna Tanskanen	Tracing mobilities in Lampedusa, Italy Jussi S. Jauhiainen	Spatio-temporal realities of undocumented migrants Katri Gadd
		Utopiatutkimuksen yhteiskuntamaantieteellinen potentiaali Mikko Karhu		Novel data sources in cycling research Elias Willberg	Action-oriented research on asylum seekers' deportability Eveliina Lyytinen
					"Voluntary but compulsory". The quasi-legal role of safety standards in children's playground design Riina Lundman
					Strategies of negotiating public and legal spaces Päivi Rannila

15:45-16:15

Kahvitarjoilu

Publicum aula

16:15 – 17:45

Työryhmät 2:

Hydrogeography II:

Petteri Alho and Elina Kasvi

Relating Finland: critical approaches to relational and territorial geopolitics II:
Roger Norum et al.

Economic mobilities:
Päivi Oinas

Humans in ecosystems:

Nora Fagerholm

Arkinen kaupunki / Quotidian city:

Jani Vuolteenaho et al.

Maantieteellinen tutkimus yliopistojen ulkopuolella:
Antti Vasanen and Lasse Nurmi

Huone: Pub209

Huone: Pub 4

Huone: Pub126

Huone: Pub399

Huone: Pub361

Huone: Pub469

Sediment processes in fluvial environments –	A digital era of state-sanctioned hunting	Welcome to Finland? Exploring the spatio-political	Local perspectives on post-mining landscapes and	Putting citizen participation in place: Will mobile	Geographer as a transport analyst in
--	---	--	--	---	--------------------------------------

<p>multiscale sediment transport modelling from headwaters into estuaries Jouni Salmela</p>	<p>Gitte du Plessis</p>	<p>implications of the facilitation of 'Arctic flows' Vesa Väättänen</p>	<p>future mining activities in northern Finland Sonja Kivinen</p>	<p>phones change the spatiality of participation in urban planning? Sampo Ruoppila</p>	<p>Helsinki Region Transport Matleena Lindeqvist</p>
<p>Anthropogenic underwater noise in the Baltic Sea: an introduction to a possible problem Joonas Syrjälä</p>	<p>The Politics of the 'Compassionate City' Derek Ruez</p>	<p>Mobilities and obstacles: Southeast Asian firms encountering informal trade barriers in China, the EU and USA Erja Kettunen</p>	<p>Three Working Histories of Rural Women Katri Karkinen</p>	<p>Cruisers in the City: Staging the Mobility of Cruise Ship Passengers Kaisa Paananen</p>	<p>Towards Low Carbon Society – Combining different sources of knowledge to reshape the education of land use and landscape planning Noora Rämö</p>
<p>The bank erosion processes during the rising spring flood of a sub-arctic meandering river Eliisa Lotsari</p>	<p>Tourisms of Prosumption and the Geopolitical Gaze Roger Norum</p>	<p>Mapping the Economies of Attention Online: the case of promoting nutrient recycling in Finland Niko H. Humalisto</p>	<p>Ancient civilizations and present-day vegetation in the Amazon Risto Kalliola</p>	<p>Embarking on a Situationist dérive in nonrepresentationa l urban research Noora Pyyry</p>	<p>Maantieteen monet ulottuvuudet – tutkimuksellisten siltojen rakentamista ministeriöiden ja yliopistojen välille Heli Ponto</p>
<p>Measuring the disadvantages of accessibility and remoteness caused by water bodies for policy purposes Simo Rautiainen and Markku Tykkyläinen</p>	<p>Re- and De-Bordering the Urban Masses in Mediated Threats and Violent Attacks Vilhelmiina Vainikka</p>	<p>Kansainväliset projektit ja paikalliset tiedon jalostamisen prosessit: voiko tietoa ankkuroida paikoilleen? Johanna Hautala</p>	<p>Supporting development of healthy socioecological systems through participatory spatial planning in Tanzania Salla Eilola</p>	<p>Political place as an assemblage of assemblages: a study on of spatial contexts in EU policy-making Jarmo Kortelainen</p>	<p>Research and regional government reform Antti Vasanen</p>
		<p>Finland to Japan: enter the startup scene: An institutional field formative to a new age entrepreneurial ecosystem Jarmo Nikander</p>	<p>European cross-site analysis of place-based ecosystem services in multifunctional rural landscapes Nora Fagerholm</p>	<p>Pupils on the move: School catchment areas and the housing decisions of families in Helsinki Venla Bernelius and Katja Vilkkama</p>	
		<p>Catching up by reaching down and out: The local developmental ecosystem and the emergence of Medellín's innovation district</p>			

		Lucía Gómez and Päivi Oinas
